Dear Parents and Students,

The purpose of this handbook is to provide a convenient reference for students, parents, administrators, and directors that have questions concerning any aspect of the band program at MGM. We have made an honest effort to include and explain every possible facet of the program, however it is impossible to account for every possible scenario that may occur.

It is our hope that as responsible students and interested parents, you will read this handbook very carefully so that you will better understand the entire program. Students, you will be responsible for knowing and abiding by all rules and regulations set forth in this book.

Finally, we welcome each of you to the Mary G. Montgomery High School Band. This will be a great year that you will never forget. We want to challenge you to develop and possess a cooperative attitude in everything you do and always put forth your best effort at all rehearsals and performances. We want band to be an experience in which you gain a working knowledge of true team effort, a taste of life and its blessings and difficulties, a generous knowledge of music and choreography, and an untold number of enjoyable events you will always cherish. You will have plenty of memories this year, we guarantee! We need to continue this fine tradition and strive to be positive role models and leaders that will continue the ongoing success of this band program. Thanks for being a part of something special . . . The Mary G Montgomery High School Band!

MGM Band Philosophy

All students have the ability to express themselves musically. What this program attempts to do is provide an outlet for the student to reach their full potential musically. To obtain this goal the school system has made available several classes to serve the students in this capacity. Band is a place where students can grow, succeed, and feel accepted each and every day. The goal of the MGM Band Program is to allow the students such opportunities.

1. Provide each student with comprehensive music education by teaching the skills and attitudes necessary to succeed as a young musician and as a young adult.
2. Benefit the school and community through public performance of quality music while promoting and enhancing the dignity and reputation of Mary G. Montgomery High School.
3. Foster the development of essential character qualities including a strong work ethic, a commitment to excellence, personal pride, and a respect for self and others.
4. Provide each student with a worthy use of leisure time, a positive emotional outlet, and a good social experience.
5. Prepare each and every student to be successful in their life goals and aspirations through the experiences gained as members of the Mary G. Montgomery Band Program.

MGM Band Purpose

Many times, a misunderstanding of the rules and regulations or a lack of knowledge can cause problems on the part of the student, the parent/guardian, and/or the directors.

This handbook was written under the direction of the Directors and School Administrators for the purpose of acquainting each new and old band member with his/her obligations and responsibilities to the MGM Band. It was written as a *supplement* to the Student Code of Conduct of Mobile County Schools, and at no time does it take precedent over or overrule school policies.

Given the complexity of human behavior, no publication of this nature can completely cover all situations, which affect the learning environment. Thus, the directors will reserve the right and responsibility to address any student behavior or situation which adversely affects the learning environment or the MGM Band Program.

The Mary G. Montgomery High School Band has a long-standing tradition of excellence. We perform at every varsity football game of the season, numerous parades, special events, and ceremonies. Superior ratings, including best-in-class awards, have been consistently earned by this band. For many years, the wind ensemble and symphonic band have received superior ratings at district and state assessments. Students regularly participate in solo and ensemble, all-state band, and various honor bands. The band program has also produced numerous musicians who receive countless dollars in college scholarships and who are now music educators and outstanding professional musicians.

Great band programs are built on a foundation of traditions. Traditions become a reality through student pride and involvement. It is the responsibility of every member of the MGM Band to honor, uphold, and build upon the traditions of the band and its various musical ensembles.

Directors' Expectations

The list that follows is more than a set of “rules” that can be found on the band room wall. They are characteristics that can be found in students in successful band programs everywhere. All MGM Band students are expected to be:

1. **Disciplined** – Understand the need for practice and make time for it on a daily basis.
2. **Punctual** – Always arrive early for meetings, rehearsals, and performances. “If you are on time, you are late!”
3. **Well-Behaved** – Be quiet, attentive, and in control of yourself at all times.
4. **Positive** – Smile and understand that you control your emotions, they *do not* control you!
5. **Persistent** – Understand that becoming a good musician is a process. It takes time. *Consistently* work to improve on a *daily* basis.
6. **Honest** – Admit your limitations and mistakes. Take full responsibility for your actions. Do not lie, cheat, or steal.
7. **Responsible** – Do not wait to be told the obvious. Take initiative and do the things that must be done whether you want to or not. With a family as big as ours, it takes everyone watching out for each other to be successful.
8. **Mature** – Think *before* you act.
9. **Committed** – Realize the impact your individual attitudes, actions, and performances will have on the group. Think of the band first.
10. **Polite** – Communicate with one another, teachers, parents, & administrators with kindness & respect.
11. **Prepared** – Bring *ALL* materials to class *each day*.
