

Dear Middle School Parents,

As the end of the school year approaches, I wanted to take a moment to encourage your child to continue their musical journey by staying in band. Music education has been shown to have a variety of benefits for students, both academically and socially.

In addition to fostering creativity and self-expression, studies have shown that music education can improve memory, language development, and overall academic performance. Furthermore, being a part of a musical ensemble like the band can help students develop teamwork, leadership, and time-management skills that will benefit them for years to come.

As your child transitions to high school, I encourage them to consider joining the MGM Band. The MGM Band has a long history of excellence, and we pride ourselves on providing our students with a supportive and challenging musical environment. Whether your child plays an instrument, dances, or twirls a flag, there is a place for them in the band.

As a member of the MGM Band, your child will have the opportunity to perform at football games, parades, and competitions throughout the region. They will learn new skills, make new friends, and have experiences that they will never forget.

To register for the MGM Band, please visit our website at mgmband.com. There you will find information about our program, our schedule, and how to get involved. Please note that band camp and rookie camp are required for all new members.

If you have any questions about the MGM Band or would like to learn more, please feel free to reach out to me at jwarren@mcpss.com.

Thank you for supporting your child's musical education. I hope to see them continue their journey in the MGM Band next year.

Sincerely,

Mr. Warren
