Your summer calendar is here! Some info below.

Colorguard/Dance/Majorettes - Yet to be decided for summer activities. We will get dates to you soon.

Sectionals

Everyone will have 1 sectional a week for 2 hours. Some sections have been grouped together and we can find separate areas if needed OR work together if the music allows. Most Sectionals will be inside (Batterie may go outside some days). You will still need to be in Gym Shorts/Tennis Shoes/ Outside attire so we can do some inside visual work if time allows.

The week of July 4th is off!

Marching/Conditioning

One day a week! This will help some of us adjust to the heat as well as get a head start on some marching! In shape/out of shape doesn't matter! We will get better together!

Attendance

Please attend every sectional that you can make. If you have a vacation or church camp planned, that is excused and GO ENJOY. However if you are at home sitting on the couch on your third bag of takis for the day, maybe come hang out with your friends and get better!

Band Camp!

With the addition of our turf field, we are trying something new for band camp! We will go 1-9 on Monday, Tuesday, Thursday, Friday.

This will

- Give us a much needed mid week break so we are fresh.
 - We won't ever have 3 days in a row without a breather
- Allow us to work outside when the sun is away for much cooler weather

Hopefully this will let us be more efficient with our time without the 3rd or 4th day slog we start to feel.

Band camp is required for participation in the program. If something is planned, you need to reach out to us and we will work on it on a case by case basis. Your spot is not guaranteed and we can not go back just to catch you up. If you ARE allowed to miss some of band camp (By Directors Discretion) you are responsible for catching up by yourself before you will be allowed to perform.

Please see these attached calendars for dates!
